The Sparkles Girls decided that during half term they would like to have an outing as the times were changing from the evening to an afternoon session. After much discussion it was agreed that they would like to go to Cattle Country.

Preparation: Letters and Permission slips were sent to all parents for completion prior to the outing. Transport was organized and risk assessments were completed for both the journey to and from Cattle Country along with a risk assessments from Cattle Country themselves.

Event: The Girls met at GL11 Community Project at 10.45am and were transported By Taxi to Cattle Country. On arrival base camp was set up and it was agreed that we would all meet up for lunch at 1pm.

After lunch there was a lot more train riding, boating, sliding, swinging, animal petting, ice-cream eating and general energetic fun until 3pm when the taxi came to pick everyone up.
