Staff at the Dursley branch of Stroud & Swindon Building Society have continued their tradition this year of supporting the local community by holding fundraising events.

Laura Lintern, Branch Manager, said “We have a good track record here amongst staff and customers of supporting local organisations, and this year we have been fundraising on behalf of the GL11 Community Project. We are very aware of the difference GL11 makes to individuals and families and are pleased to help in this way. Our fundraising has included fancy dress days in the branch, name the bear competitions, lucky dips, colouring competitions and lots of raffles. As a branch we are all looking forward to supporting the GL11 Community Project throughout the rest of 2009”

The staff really enjoy the chance to do something different, and very much appreciate all the support that our customers give to this good cause”

Manager of GL11, Ann Wheeler, said “I was thrilled to be invited to the Stroud & Swindon office to be presented with a cheque for £725. It’s really good to know that people who are so busy in their day jobs still find time to fundraise for us. This money will go a long way to helping us continue our services in supporting residents throughout the GL11 postcode area. We are extremely grateful to everyone who has help raise this amazing sum of money”
